## **➔ REPURPOSE SINK ACKNOWLEDGMENT**

PLEASE INITIAL EACH ITEM AND SIGN AT THE BOTTOM OF THIS DOCUMENT

### **REPURPOSING SINKS MAY COST YOU MORE MONEY IN THE LONG RUN**

- ➔** [ ] I acknowledge that I will be responsible for a service charge of \$350 if I choose to repurpose an existing sink that the model number is unknown or is not programmed. The sink must be removed and cleaned prior to being programmed.
- ➔** [ ] I acknowledge that SCI has NO responsibility for damage to ANY removed items. This includes sinks, strainers, faucets ect.
- ➔** [ ] I acknowledge that I will be responsible for a service charge of \$150 if I choose to repurpose an existing sink that the model number is known and currently programmed. The sink must then be removed and cleaned, only, with no programming required.
- ➔** [ ] There is a likely probability your sink will break in this process. If your sink does break you will be responsible for another sink and charged an additional trip charge.
